PREMIERE EXECUTIVE SUITES RECOGNIZED AS ONE OF THE BEST PLACES TO WORK

MISSISSAUGA, ONTARIO (May 24, 2011) - For the fifth consecutive year, Premiere Executive Suites Atlantic has been recognized as one of the Best Places to Work in Atlantic Canada. This honour is magnified because Premiere Executive Suites Atlantic is one of only three organizations to make the list all five years. Premiere Executive Suites Atlantic ranked among the top ten finalists this year. The great work being done in offices throughout the Atlantic region has truly fostered an amazing work environment which has resulted in significant employee satisfaction.

Cathy Siteman, office manager at the Halifax location, believes that “this is the ultimate testament to great leaders hiring great people and creating a great work environment.” This reward truly reflects the importance of employee satisfaction and how the Premiere Executive Suites Atlantic region continually strives to instill a team oriented environment in each of their offices.

PES Atlantic has received this special honour after having undergone a rigorous process in which it was clearly illustrated how the organization offers great employee benefits and is able to both engage and satisfy employees.
